Permanency of the post of Steno-typist of the Office of the Inspector General of Prisons

Serial No.

The permanent clerical Staff of the office of the Dr of Prisons consists of one three hands, viz:—

1. Head Clerk on Rs 60-4-80
1. Accountant on Rs 40-2-50
1. Record Keeper on Rs 45-2-55

In October 1939 the Dr. represented that the said permanent Staff was found inadequate to cope with the increased volume of work devolved upon his office on account of the large influx of prisoners in the Central Jails & Lock ups and requested sanction for the entertainment of a temporary Stenotypist, which was accordingly sanctioned for a period of 4 months (vide Pris Colln 41-39 C-2)

The said temporary post was ordered to be continued till the end of Dec 1940 subsequently (vide pris Colln 41-39 C 7-8))

Now the Dr. States that in the

interest of efficient & expeditious disposal of papers and also in view of the problems that will have to be tackled after the report of the Prism Reforms Committee is received, the permanent addition of the said post of a Steno-typist to the staff of the office is indispensible.

In this connection it may perhaps be a point for consideration if it is not necessary, (apart from the details explained by the Dy) for the Head office of a Dept to have a Steno-typist permanently attached & dependent upon the other members of the staff for typing work for which they are neither qualified nor would well afford to devote the requisite care & attention, without serious dislocation of work now & then or almost every day and inconvenience to themselves and rough handling of the machine by lay hands.

The Secretary to the Government of Mysore,
Law Department, Bangalore.

Sir,

With reference to Government order No.P.6637-8/pris.41-39-8 dated 6th April 1940 sanctioning the continuance of the post of the Steno-typist of my office till the end of December 1940, I have the honor to state that owing to the increase of the volume of work in the Prisons Department, I find it absolutely necessary to continue the appointment of the Steno-typist on a permanent basis. The services of the Steno-typist are indispensible in the interests of efficient and expeditious disposal of correspondence, especially in connection with the very many problems that will arise after the deliberations of the Prison Reforms Committee are concluded. The need for the continuance of the services of the Steno-typist is keenly felt and I recommend that the post may be made permanent.

The cost on this account during the remaining five months of the current year will be met by reappropriation of sanctioned grants and necessary provision will be made in the future budgets.

I request early orders.

I have the honor to be,

Sir,

Your most obedient servant,

B Narayana Rao 9/12

Inspector-General of Prisons.
